Subject: RE: Delay in group call until 1:45

I have alerted Coalition members of this via email. We will also try to call them. I wish we would have had more notice. I have a hard stop at 3 p.m. because I have another matter scheduled. So the call will end at 3 in terms of the Coalition's participation.

Subject: Delay in group call until 1:45

I have just been instructed by my management to delay our group call until 1:45 c.s.t. today.

Please plan on calling in, to the number previously provided, at that time. If I receive further instructions prior to then, I will advise.
